

This is intended as a guide to the organisations below who all provide training courses in coach supervision, which are accredited or recognised by accreditation bodies. AoCS does not endorse any specific courses, so follow the links to each provider to check the outlines carefully. Contact the organisations for further details, to make enquiries and check fees. We will update these details periodically but check a provider's website before making your choice. Please note that AoCS cannot be responsible for the fees quoted or the accuracy of these descriptions.
